

# BöttcherPro Liposol

## Hand Cleaner

Hand cleaner for a removal of ink and strong industrial dirt.

*Application*

- based on high quality surfactants
- contains neither solvent nor soap
- giving good cleaning power
- slightly acid pH value (naturally blended formula developed to work without damaging the skin)
- good skin compatibility, does not remove fatty tissue from skin (clinically tested)
- use of fine plastic granules with good skin compatibility
- economical dosage due to practical and hygienic dispenser bottle long shelf life

*Features*

Apply BöttcherPro Liposol sparingly (1 - 2 dispenser touches) onto the moistened hands and rub-in well. Rinse off with plenty of water.

Dispensers may easily be ordered with part no. 0801862. They may be used repeatedly.

*Note*
